

# Under Cover

'Tis the season for revealing tank tops, strapless dresses, and other skin-baring outfits. The good news? Today's body-shaping undergarments boast maximum comfort plus a higher spandex content than ever before. Translated, that means you'll be able to get a smoother, trimmer look—no matter what you're wearing.

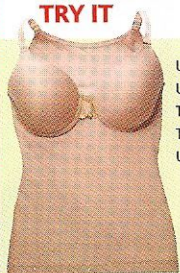

## WARDROBE CRISIS

You're wearing a tight top and you can see a bulge or two underneath, plus the outline of your bra.

## SOLVE IT

Choose a camisole-style shaper. It will smooth everything out, especially around your back and sides, and will give a boost to smaller chests.

## TRY IT

ULTIMATE UNDERWIRE TORSO TRIMMER, \$85, UNBELIEVABRA.COM

You have trouble buttoning your summer slacks.

Look for a shaper with high-cut legs and a full bottom to cinch the waist and smooth and shape the rear.

CONTROL IT WAISTNIPPER BRIEF, \$25, MAIDENFORM.COM

Your form-fitting strapless dress is a little snug around the stomach.

Try an all-in-one bra, slip, and shaper for a tighter tummy and smoother silhouette. Wearing an all-in-one garment is more comfortable than wearing multiple undergarments.

ALL OVER SLIMMING COMFORT CONTROLWEAR SMOOTHING SLIP, \$51, FLEXEES.COM

Your sheer summer blouse leaves you feeling too exposed.

Opt for a long tank-style shaper. Go for one with an underwire bra to offer extra support if you're full busted.

SASSYBAX UNDERWIRE TORSO TRIM, \$75, HIPUNDIES.COM

You can see visible panty lines through your thin summer pants.

Try a pant-style shaper in a lightweight fabric. You'll get a slimming effect through the thighs and hips and eliminate the see-through problem.
